Hydrangea macrophylla- Shade (Cont'd.)

Flower color depends on soil pH.

Name & Description

Ht x Width

Let's Dance Series- Dwarf re-blooming hydrangeas that bloom on old & new wood.

Let's Dance Big Band® PW

2.5' x 2.5'

Re-bloomer. Huge mop-head blooms in pure, true colors of pink or blue, depending on soil pH.

Let's Dance Big Easy® PW

2.5' x 2.5'

Re-bloomer. Huge, mop-head blooms with progression of color from pink/green to pink and back to green.

Let's Dance® Blue Jangles PW

2.5' x 2.5'

Re-bloomer. Mop-head blooms with rich color, blue or pink depending on soil pH.

Let's Dance Diva® PW

Re-bloomer. Lace-cap blooms the size of a dinner plate in soft pink or blue depending on soil conditions.

Let's Dance® Rave PW

2.5' x 2.5'

Re-bloomer. Large mop-head blooms that are deep, intense purple in acidic soils.

Let's Dance® Rhythmic Blue PW

2.5' x 2.5'

Re-bloomer. Large mop-head blooms with geometric florets readily develop deep blue color in acidic soils.

Let's Dance® Starlight PW

2.5' x 2.5'

Re-bloomer. Lace-cap blooms with vivid color. Compact plant for small garden.

Mini Penny

2.5' x 2.5'

Re-bloomer. Mop-head. Compact plant for small garden.

Nikko Blue

5' x 4'

Most reliably blue blooms at all pH levels. However, most striking blue color is produced by acidic soil.

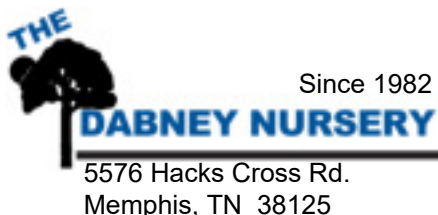

Penny Mac

5' x 4'

Re-bloomer. Fast grower.
